

## **Community Service Award**

In 1981, the Alumnae of the Sacred Heart of Bloomfield Hills instituted the Community Service Award. This was done because of our strong support of the service program in the Upper School and because we believe in the wider community. It was decided that this award would be given annually to a graduating senior who has been exemplary in her service to others. Because they know her best, it is the faculty and senior students who participate in this selection.

The student is chosen on the basis of three criteria:

- **Consistent responsibility and dedication to service**
- **The development of a positive attitude and enthusiasm for service**
- **And a valuable or significant contribution to the service program.**

Since her freshman year, Asia Bond has been recognized for her positive energy, clear leadership ability and charitable spirit. She is the leader of both Focus Hope, an organization which helps the hungry of Oakland County, and Our World Your World, an organization which focuses on issues of civil rights, social justice, and equality. Asia has accumulated over 200 hours of community service by working at Beaumont Hospital, volunteering for a muscular-dystrophy telethon, assisting at an inner-city day care in Pontiac, Michigan and serving every summer at Camp Midicha. This is a camp for those who suffer from diabetes, a disease from which Asia also suffers. This past summer she became a Counselor in Training and so spent an extra week at the camp. She also shares her talents with the children enrolled in the Academy's After School Learning Center. From June 2010 through May 2011, Asia gave 1,352 hours of service! This year her Upper School Community Service was at PATH of Lighthouse where she worked with young children. Asia donates her time, money, energy, and soul to helping others who have not been as blessed as she.

The Alumnae and Alumni of the Sacred Heart, Bloomfield Hills

is pleased and honored to present

**The 2011 Community Service Award to**

**Asia Bond**
