

Community Service Award

In 1981, the Alumnae of the Sacred Heart of Bloomfield Hills instituted the
Community Service Award.

This was done because of our strong support of the service program in the
High School and because we believe in the impact our students can have in
the wider community.

It was decided that this award would be given annually to a graduating
senior who has been exemplary in her service to others.

Because they know her best, it is the faculty and senior students who
participate in this selection.

The student is chosen on the basis of three criteria:

Consistent responsibility and dedication to service,

The development of a positive attitude and enthusiasm for service,

And a valuable or significant contribution to the service program.

This year's recipient has spent her three years in our service program
working at Emerson, WHRC and the Kennedy Center.

She has also found a place in her heart, and makes a space in her schedule,
for service projects beyond her Thursday school service commitment. She
was involved in a Run for Charity. She participates in the monthly Focus:
HOPE deliveries, and has held a leadership position on the Service Projects
Committee and the Pastoral Team for three years. Last year for Project
Term, she worked on a Habitat for Humanity project in Effingham County,
Georgia.
