**Extended Day Pre Camp** – Early campers have the option to enjoy a calm or active start to the day as we meet in the large gym. In the gym, they have the opportunity to go between free play or some calm activities to get the day started.

**Camper Drop Off (Morning Craft)** – Each morning, camp staff will have a craft, activity or project related to the theme for campers to work on while others arrive.

**Morning Circle** – Each morning, campers will gather into a circle with camp staff to discuss the day’s schedule, share stories, and possibly play a game. On Monday, camp rules and expectations will be discussed along with a name game.

**Morning Activity Block** – The majority of the morning is dedicated to games, hikes, experiments and other activities related to the theme.

**Lunch Preparation (Bathroom/Handwashing)** – All campers are given time to use the bathroom, wash hands and prepare for lunch.

**Lunch** – All campers will eat lunch out on the cyber café patio. If raining (or other unsafe weather conditions), campers will eat inside the cyber café.

**Free Time / PS Nap** – Older campers are given time to play on the playground while the preschool campers go for a nap.

**Recharge Time** – This allows campers some time to relax while playing calm games, reading or drawing. Campers need a few minutes to relax and refocus.

**Choice Time** – For choice time, each camp staff member will offer a different choice and campers have to decide which activity to participate in. Usually a mix of active and calm options are offered. Many times these activities are camper favorites or things campers have expressed interest in doing, but don’t necessary fit the theme of the morning activity block.

**Clean-up and Circle Games** – At the end of each camp day, we will clean our camp space by putting away items used during the day and throwing away scraps on the floor. During this time, campers will also gather all their personal items and put them in once place. Once this is completed, campers will gather in a circle and play games as a group while campers start getting picked up to go home.

**Extended Day Post Camp** – We start post camp with some free play in the gym. Once the main camper pick up is complete, we will move into a camp room, have snack and the opportunity to use the restroom. We will then head out to the playground for some more fun. Depending on camper interest, this time outside will either be structured or free play.
